APPRECIATION AWARD

Rembrant Pasardan

OJT – Traditional Services

You are receiving this award of excellence for going above and beyond and for demonstrating *Customer Focus, Proactive and Empowered, Accountable and Collaborative*.

This certificate is proudly awarded to Rembrant Pasardan in recognition of his outstanding contributions, dedication, and excellence during his OJT journey. Rembrant successfully developed a Power Apps project for EOSL Models, demonstrating initiative and technical capability. He also played a valuable role in enhancing the team's project presentation on the Optimization of Consolidated Issues and Ticket Management, contributing to clearer and more impactful communication of ideas. Notably, he completed an impressive 23,788 asset updates, reflecting his strong work ethic, attention to detail, and commitment to operational excellence. His contributions have left a meaningful impact, and he is highly commended for his efforts and achievements.
